

NEW

**BEAUTY IN SHAPE
AND USABILITY**

STEEL COMFORT SPORT

EASY BREAKOVER

QUARTER CLIPPED

LIGHTEST AND MOST VERSATILE SPORTS SHOE IN ITS CLASS

Designed for ease of breakover and good support. Rolled toe and branches improve coordination of movement and optimise balance with less pressure on the tendons.

KERCKHAERT.COM

KERCKHAERT STEEL COMFORT SPORT

TOP IN IT'S CLASS

The Steel Comfort Sport is **the power of innovative tradition on the hoof of a sports horse**. Years of knowledge, passed on from father to son, is the Kerckhaert basic of this horseshoe. The newest techniques, insights and experiences of farriers give the innovative development of this lightest and most versatile sports horseshoe in it's class. The Steel Comfort Sport is the answer to the present and professional demands of the farrier and sports horses.
